REQUEST FOR POLICE CERTIFICATES/CLEARANCES

To Police or Relevant Authorities:

The person who has completed the authorisation form below is applying for admission to Canada. To meet Canadian entry requirements, each member of his/her family aged 18 years or over requires an original police certificate. A police certificate provides details of the subject's criminal convictions or a declaration that the subject does not have any criminal convictions.

The High Commission has issued this letter to assist the applicant to apply for a police certificate. We request that the certificate be provided to the bearer of this letter, who will then forward them to the High Commission.

Thank you for your co-operation,
The High Commission

(To be completed by applicant)

AUTHORISATION BY APPLICANT FOR RELEASE OF POLICE AND COURT RECORDS
